

## Prednosti modela 23

Veliki i prostrani dnevni boravak sa kokpitom za šetnju omogućava lak prolaz do platforme za kupanje iz kabine, kao i pramca. Sunčalište na krmi može se produžiti i pogodno je za dve osobe. Sama krma je jedinstveno dizajnersko remek- delo i čini ovaj model prepoznatljivim u svojoj klasi.

Model 23 nudi dodatnu površinu za sunčalište koja se može proširiti i do 140cm i poseduje dodatno skladište. Uzglavlje se može podići kako bi pružilo maksimalnu udobnost. Rukohvat od nerdjajućeg čelika izrađen po meri garantuje dodatnu sigurnost.

Ova komforna kabina ima i kuhinju - dovoljnu da napravite kafu ili brzi ručak.

Dobro osmišljena pozicija svih instrumenata, bokovi tapacirani vrhunskim morskim presvlakama i diskretno osvetljenje je nešto što model 23 čini prepoznatljivim, bezvremenskim i privlačnim plovilom.

Vetrobransko staklo, napravljeno po meri za vrhunski izgled i funkcionalnost, ostavlja dovoljno prostora za lak i udoban prolaz između pramca i kokpita. Uz rukohvate od nerdjajućeg čelika, sigurnost je zagarantovana.

# Tehničke karakteristrike

Model 23 Cabin

Length hull	6,93 m
Length overall (LOA)	7,80 m
Beam	2,42 m
Draft approx.	0,50 m
