One-Page USP

A

Aero Aesthetic Aero Design

- ONE BOX Design
- Excellent aerodynamic
- First-Class Smart Cabin

I

Intelligent Safe and Relaxing Driving

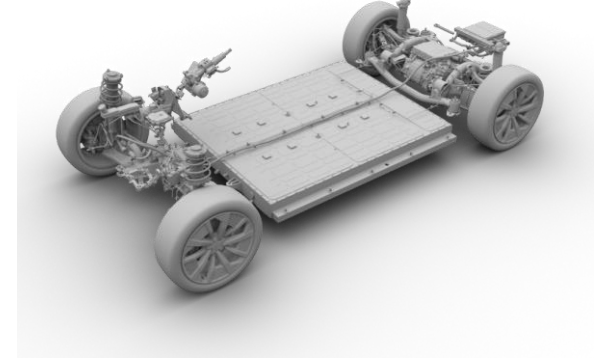

- L2 ADAS enables safe & enjoyable driving
- Carplay & Android auto mobile phone connect
- OTA & App (phase 2)

R

Reliable All-New Platform EEP

- Develop under E-NCAP 5-star safety standard
- CATL long-life power battery
- Premium ride & handling: Front McPherson / Rear 5-link suspension; 50:50 axle load distribution

Aesthetic Aero Design

JUNEYAO AUTO

ONE BOX Aero Aesthetic Design

2.072m² Panoramic Roof
Unlimited Stretch of Both Body And Mind

Aircraft Wing-inspired LED Headlight Design

**Aircraft-Grade Turbine-styled hub of
Low wind resistance**
Showcasing Outstanding Aerodynamic
Performance

OLED Cross Hatch Taillights

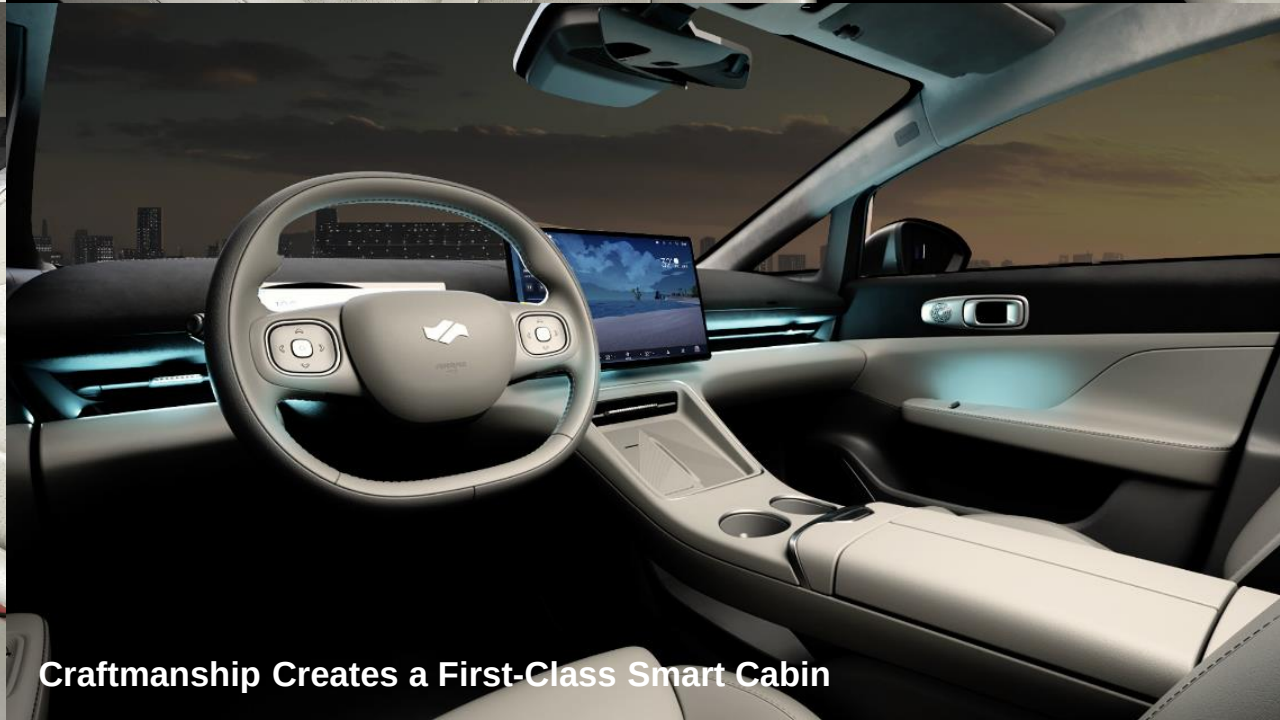

Rotatable “Sunflower” Touchscreen for Elegant Boarding Experience

75% Skin-friendly Material

2,800mm Extended Wheelbase for Exceptional Roominess and Comfort

Craftmanship Creates a First-Class Smart Cabin

Body Colours

JY AIR has **6** colours globally, but suggest to minimize colours overseas for better balance between markets and cost.

Galactic Black

Dual colour
(White body + Black roof)

Moon White

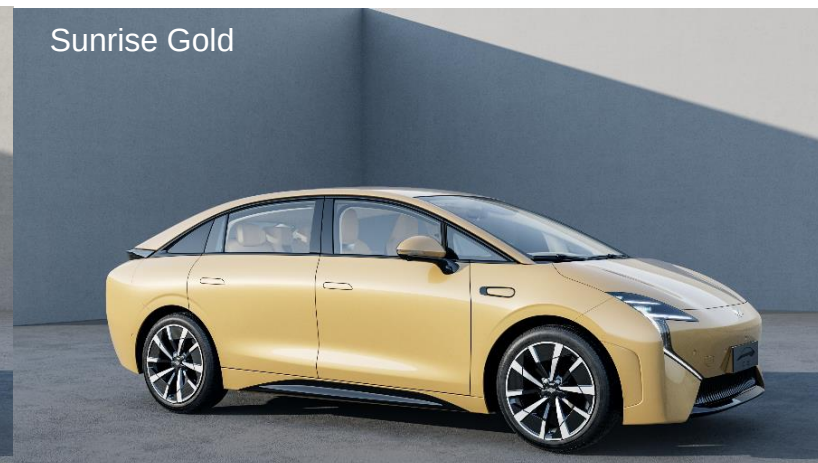

Meteorite Blue

Aurora Green

Sunrise Gold

Multiple Interior Themes

JY AIR has **1** interior colours for light trim level, and **4** interior colours for ultra trim level.

Light

Luna Grey (PVC+Fabric)

Ultra

Silk Black (PU)

Honey Orange (PU)

Luna Grey (PU)

Mint Green (PU)

Intelligent Driving

JUNEYAO AUTO

Safe and Relaxing Driving

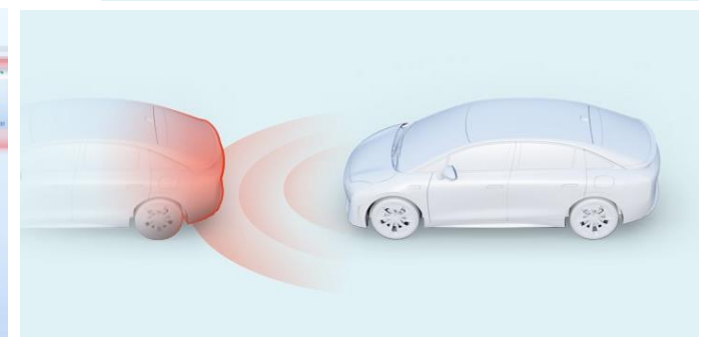

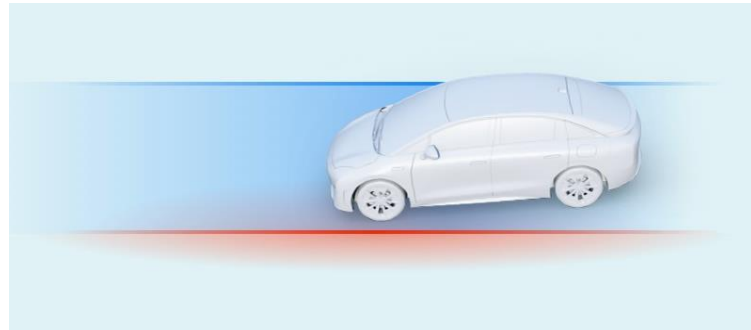

JY AIR has L2 Advanced Driving Assistant System under 5-star safety standard. Offering relaxing and enjoyable driving.

Active Safety

Automatic Emergency Braking (AEB)
Lane Keep Assist (LKA)
Emergency lane keeping (ELK)
Blind Spot Detection (BSD)
Lane Change Warning (LCW)
Rear Cross Traffic Alert (RCTA)
Reverse Automatic Emergency Braking (R-AEB)

Enjoyable Driving

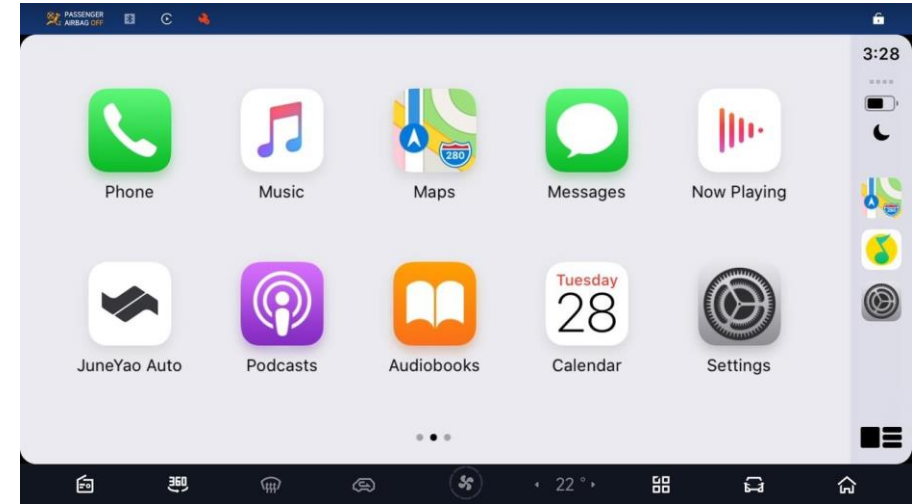

Intelligent High and Low Beams (IHB)
Traffic Sign Recognition (TSR)
Full-Speed Adaptive Cruise Control (ACC)
Integrated Cruise Assist (ICA)
Lane Centering Assist (LCA)

Intelligent Connectivity

- 15.6 Inch **rotatable** 'sunflower' touchscreen with crystal os
- **Wireless charging** with cooling system

Carplay & Android Auto mobile phone connection

High Performance Hardware
Qualcomm Snapdragon SA8155 provides smooth screen operation

Intelligent key:

- NFC
- Bluetooth key
- APP & OTA (Phase 2)

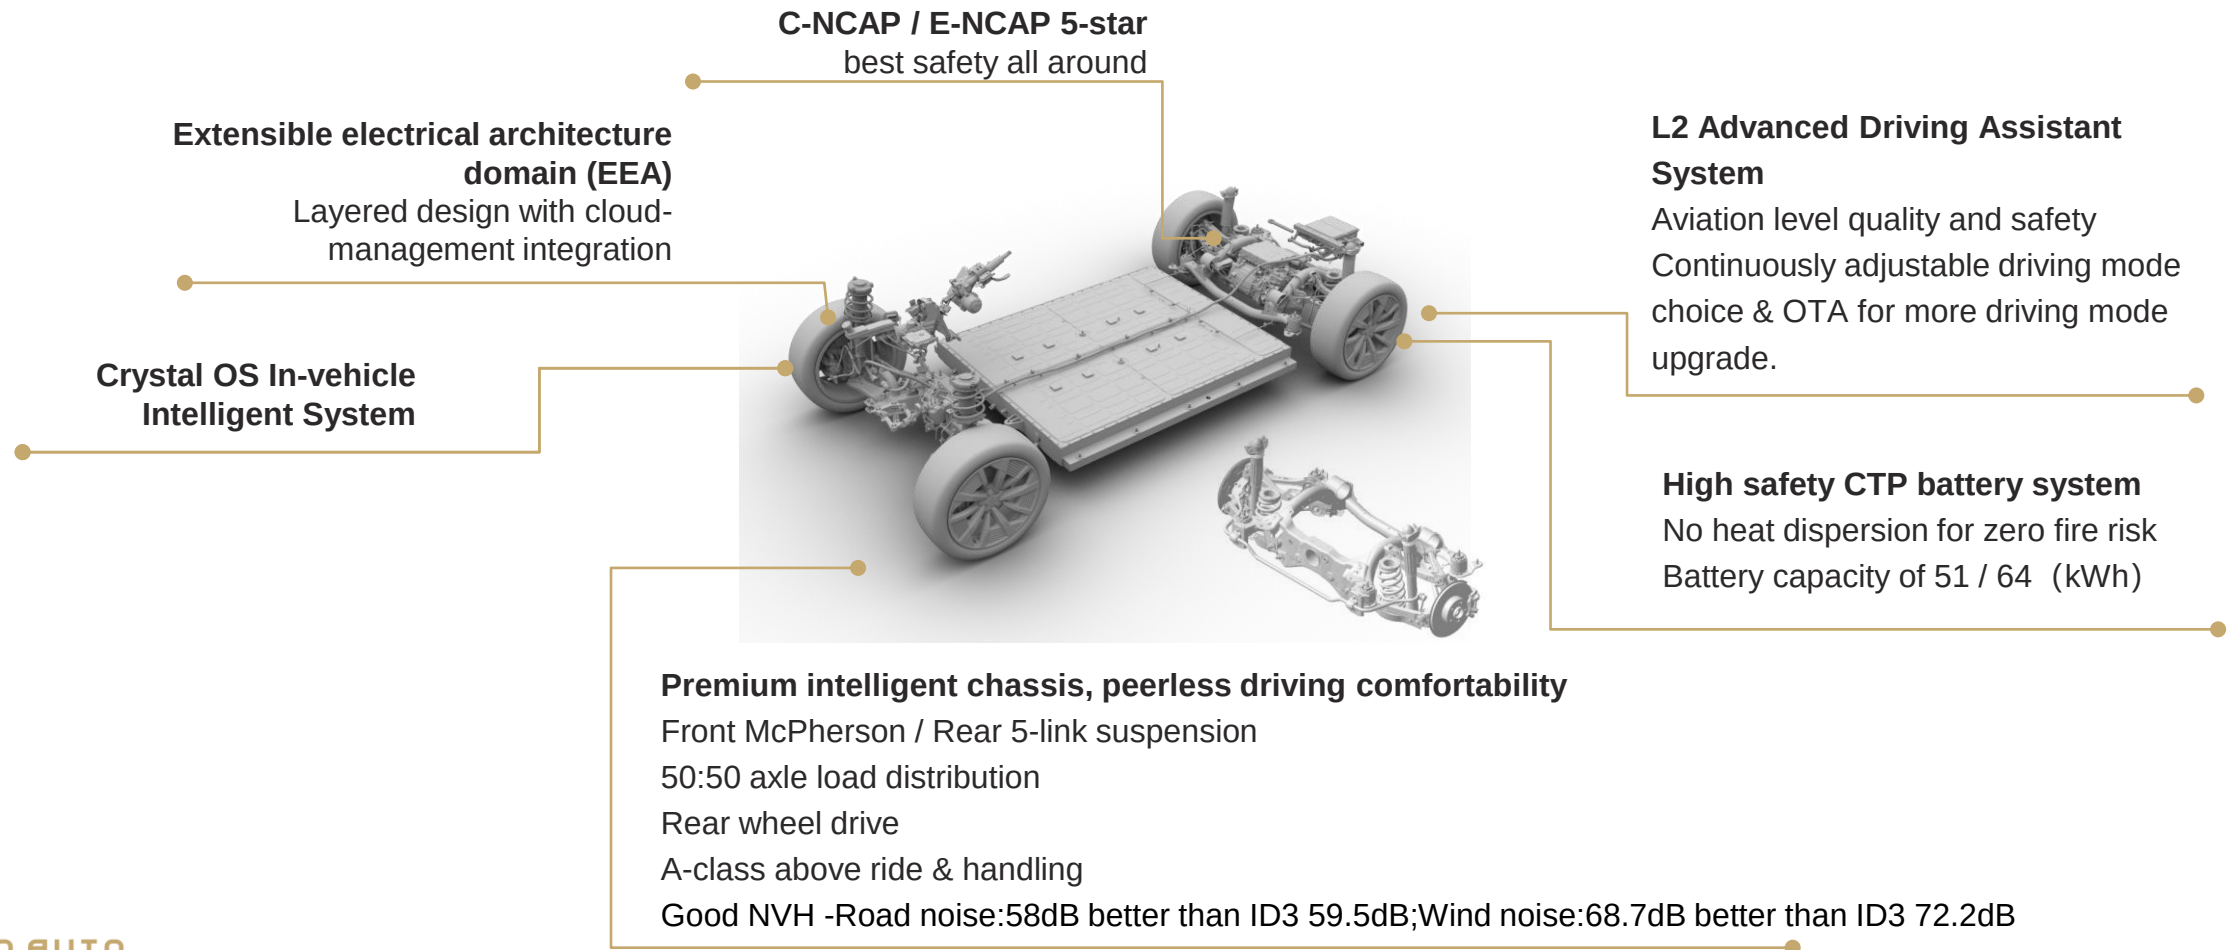

Reliable Safety Platform

JUNERYAO AUTO

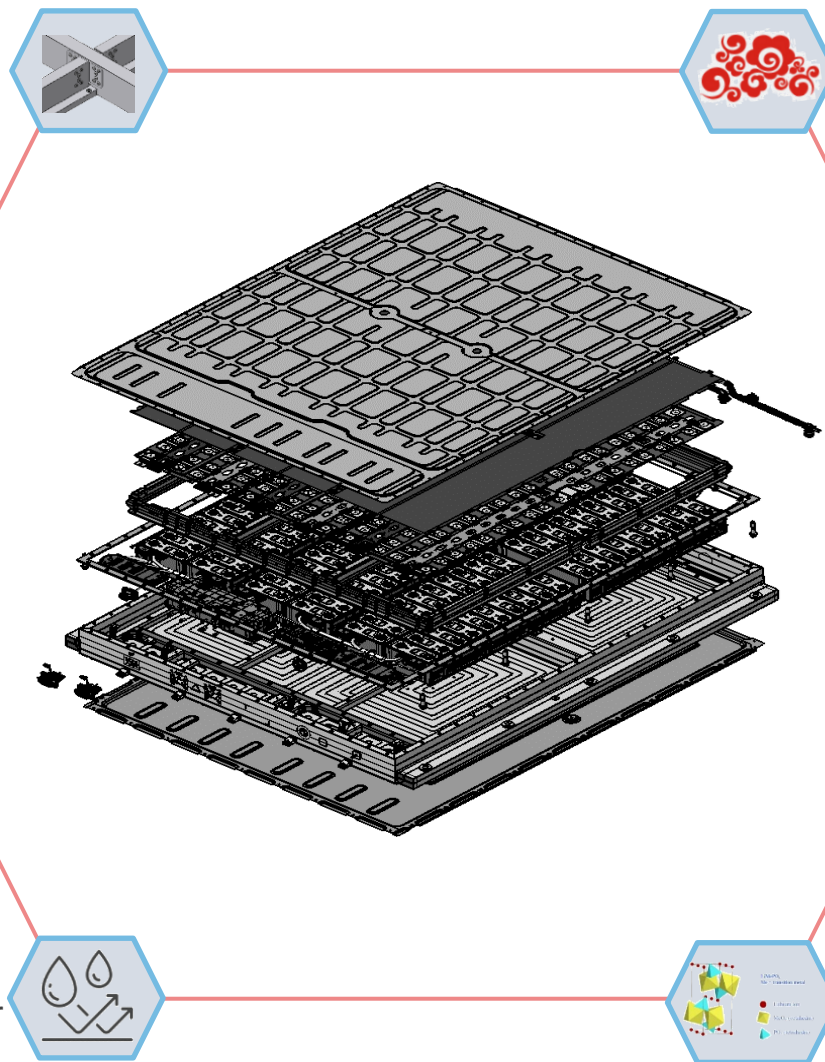

5-Star Safety Evolvable Intelligent EV Platform

Modular high-safety, high-performance, high-intelligence electric platform delivers leading cost competitiveness and is compatible with a wide range of vehicle types including sedans, SUVs, Coupes, MPVs from A to C class. This platform is developed for global models covering China, EU and RHD market.

Power Battery

High Strength

- Twice the industrial standard
- Wing-inspired structural design

Liquid Cooling System

- “Cloud” cover cooling with high efficiency
- Temperature variation during high-speed driving and DC charging is kept within 3.2 °C

Fireproof Battery

- 5-minute fire resistance
- Inspired by aviation-grade fireproof standard

Intelligent Cooling Assistance

- Cool down to delay or prevent thermal spread

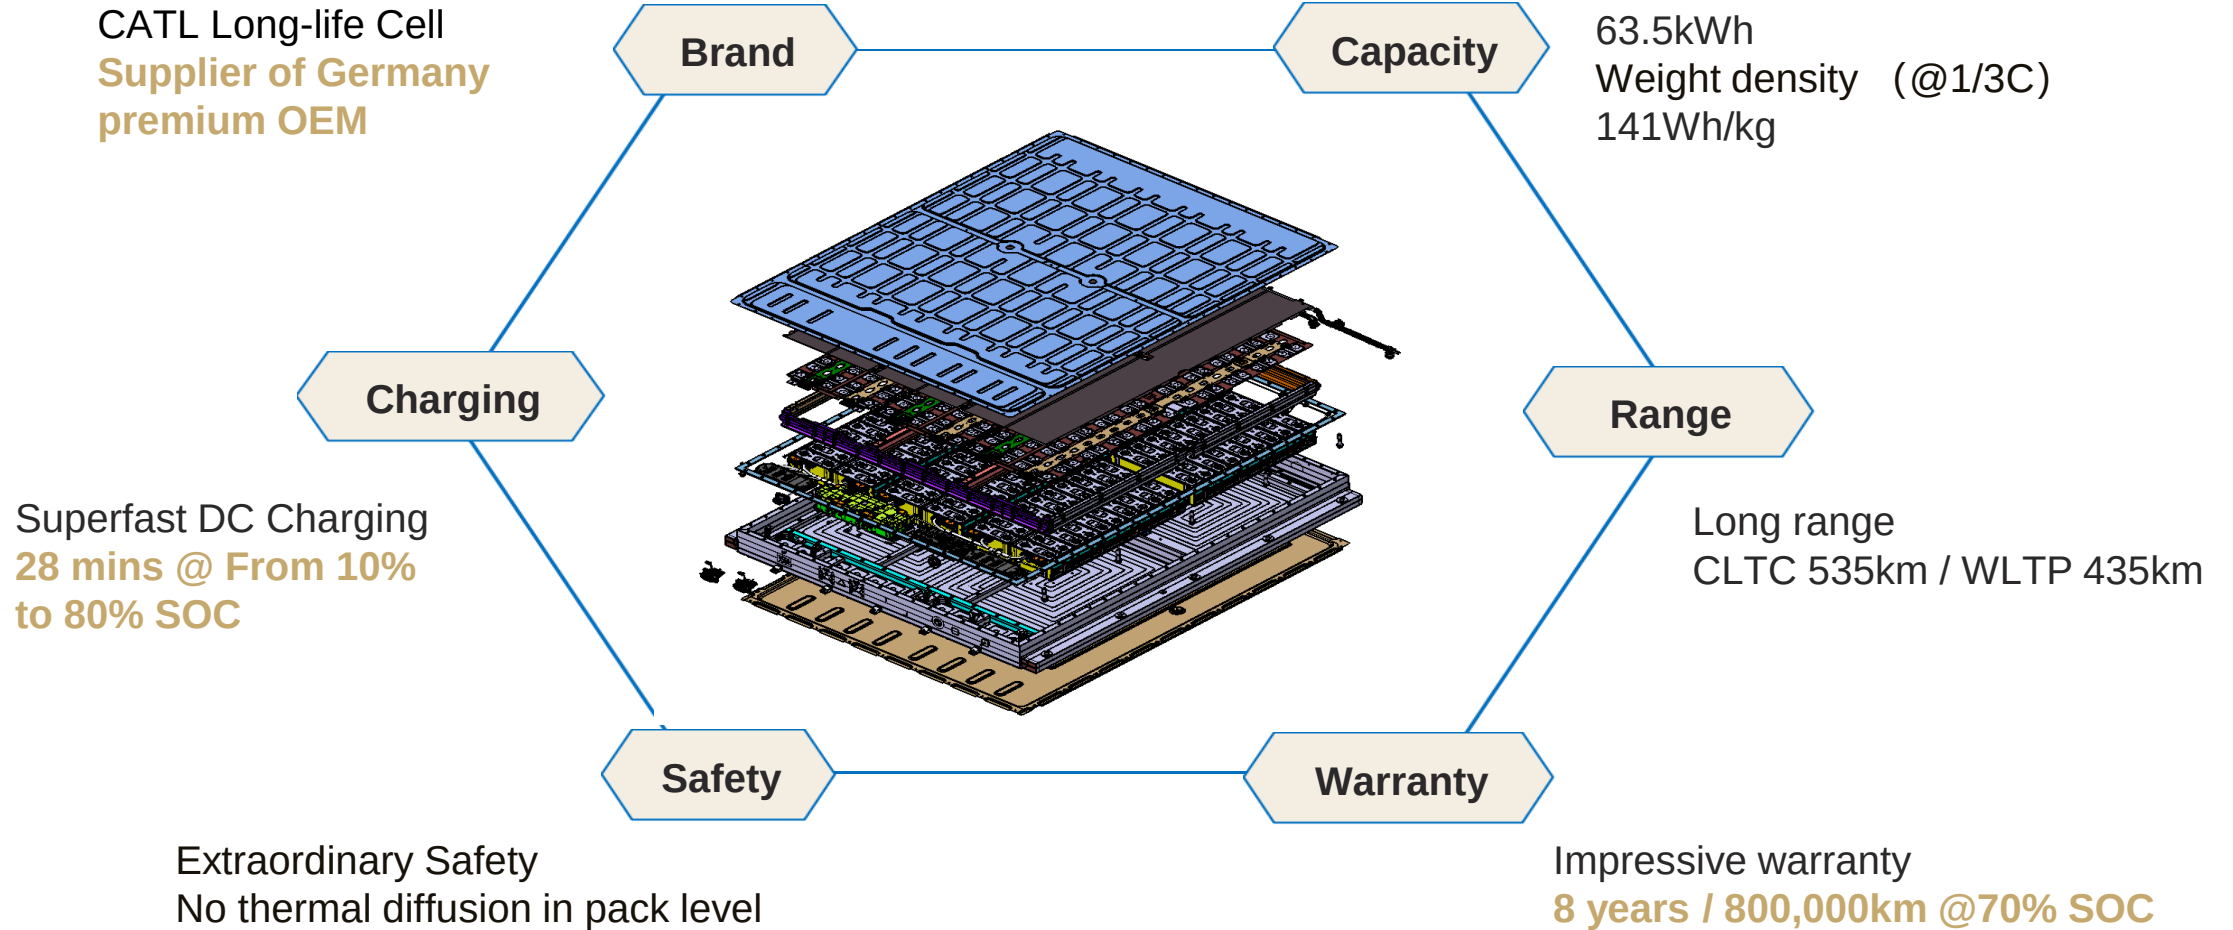

Military-Grade Waterproofing

- IP68 requirement
- Waterproof in 1.5m water depth for 24h

High-Safety Cells

- No thermal spread in the nail penetration test
- Battery remains stable under 300KN crush test

Long-life Power Battery

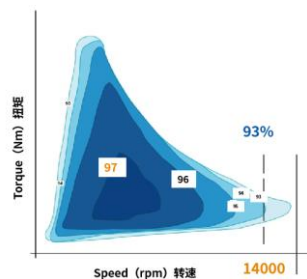

3-In-1 Highly Integrated Motor

94% efficiency

8 layer hair-pin
energy conversion efficiency >90%

2.8 kW/kg

high power density

Model	kW/kg
JY AIR	2.8
Tesla Model 3	2.52

- Industry-leading lightweight construction at only 57kg, EU E-mark certified.
- Excellent NVH performance
- Max speed: 17000rpm better than Model 3 (16000rpm)
- International suppliers: SAGW (Assembly) / UAES (Motor)

Joyful Journey

JUNEYAO AUTO

Charging Convenience

Charger connection type	Type 2 and CCS
On-board charging power (AC), kW	11kW 3 in 1
Estimated AC charging time (10-100% SOC), hours	5.3 (51.4kWh), 6.5(64.1kWh)
DC charging time (10-80% SOC), min	36 (51.4kWh), 36 (64.4kWh)

- AC charging
- DC charging
- ICCB charging

- V2L

Smart Spaces

Large trunk and abundant storage spaces

- 420L for trunk, 1338L with rear seats flat folded
- Two mobile phone holder
- Front/Rear cup holder (2X2)
- 22 storing spaces
- Smart space for multiple use

THANK YOU!

SEE YOU NEXT TIME.
